**You did it.** You and your doctor decided VYEPTI may be right for you. And you're ready to start treatment.

here we  
go

Wondering what comes next? Let **VYEPTI CONNECT** show you the way. We're here to connect you with support that can help you move forward. That means you now have access to a team of people who can guide you as you take steps to begin treatment with VYEPTI.

From insurance questions to financial assistance for eligible patients, **VYEPTI CONNECT** lets you know what to expect so you can stay one step ahead. From day one, we'll be there with answers to questions like:

- Does my insurance cover VYEPTI?
- Can I save on my copay?
- Where can I get my VYEPTI infusion?

It's time to make headway  
with **VYEPTI CONNECT**

# a simple approach

- Knowing your next steps can help you feel like you're moving forward. And we're here for you along the way.

Here's how to make the most of the support that may be available to you through **VYEPTI CONNECT**.

4

1

## Enroll in VYEPTI CONNECT

Once you and your doctor have decided that VYEPTI is the right treatment for you, you can partner with your doctor's office to sign up for **VYEPTI CONNECT**.

Your doctor or their staff will help you fill out the enrollment form while you are in the office. Be sure to complete all sections that are applicable to the patient—that's you!

2

## Check insurance coverage

We've got this. We'll work with your insurance company and your doctor's office to find out if your insurance plan covers VYEPTI.

3

### Find out if you could save

As long as you are eligible and have commercial insurance, you can apply to the **VYEPTI CONNECT Copay Assistance Program** and find out if you could save money on VYEPTI infusions.

4

### Get help with coordinating infusions

After you're enrolled in **VYEPTI CONNECT**, a Liaison will reach out to you. They'll go over your coverage information for VYEPTI and the infusion provider locations that are available to you. Your options will depend on your insurance coverage and the information provided by you and your doctor.

5

### Connect with a nurse

Through the related **VYEPTI GO®** program, you can get access to live, personalized nurse support.

VYEPTI CONNECT

Once you and your doctor have decided that VYEPTI is the right treatment for you, you can partner with your doctor's office to sign up for **VYEPTI CONNECT**.

You and your healthcare provider will complete the enrollment form together in the doctor's office. And the office staff will fax the enrollment form to **VYEPTI CONNECT** for you. Be sure to sign and date all sections of the form that should be filled out by the patient—that's you! For a smooth start to your enrollment, make sure the following pages are signed:

1. **The patient authorization:** lets us contact you for additional support that you're eligible for\*
2. **Copay enrollment:** confirms your eligibility and gives us permission to enroll you in the **VYEPTI CONNECT Copay Assistance Program** if your eligibility is verified

\*A signature is required for California patients to enroll in VYEPTI CONNECT. All patients can still access treatment with VYEPTI even if they choose not to sign.

7

## DID YOU KNOW?

Enrolling in the **VYEPTI CONNECT Copay Assistance Program** can help eligible patients with commercial insurance save money on their copay and administration costs. See [page 11](#) for more details.

VYEPTI CONNECT

## DO YOU HAVE QUESTIONS ABOUT YOUR VYEPTI INSURANCE COVERAGE?

A VYEPTI CONNECT Liaison is available Monday–Friday,  
8 AM–8 PM (ET) to help you with insurance-related  
questions. Call us at **833-4-VYEPTI** (833-489-3784)  
and select “option 1.”

Once the enrollment form is complete, **VYEPTI CONNECT** will work with your doctor's office and insurance company to help you check your insurance coverage. We can:

**Find out if your insurance covers VYEPTI**

- It's important that you and your healthcare provider understand your insurance coverage. We'll contact your insurance company to check if they cover your VYEPTI prescription and infusion provider.

**See if a prior authorization is required**

- Sometimes insurance companies require a pre-approval or prior authorization process before they'll pay for medication.
- If this step is required, your doctor's office can work with your insurance company to request pre-approval or prior authorization for your VYEPTI prescription.
- We will work with your doctor to provide information about this process. If you're eligible, we can also follow up with your insurance company to get status updates and confirm their final decision.

9

**REMEMBER**

Make sure you sign the enrollment form to receive updates on your coverage (if you're eligible). Without your signature, we can only contact your doctor's office. You can always call us to change your preference.

VYEPTI CONNECT

Not enrolled in copay yet? **SIGN UP TODAY**  
by visiting [vyeptisavings.com](https://vyeptisavings.com).

**VYEPTI CONNECT also includes a copay assistance program that can help you save money on your treatment.**

Eligible patients with commercial insurance who qualify can pay as little as \$0 for each infusion of VYEPTI.\* The offer includes up to \$200 in administration fees per VYEPTI treatment and renews automatically each year.

**You can save on your copay if you:**

- Are 17 years of age or older and have commercial insurance that covers VYEPTI
- Are not enrolled in any state or federal healthcare programs
- Live in the United States or Puerto Rico
- Meet all the other Terms and Conditions listed at [vyeptisavings.com](https://vyeptisavings.com)

**How to apply—choose the option that works for you:**

- Complete the copay section on the **VYEPTI CONNECT enrollment form**
- Enroll through [vyeptisavings.com](https://vyeptisavings.com)
- Call us at **833-4-VYEPTI** (833-489-3784) to enroll

\*Your out-of-pocket cost may vary depending on your dose, insurance coverage, and eligibility. Talk to your insurance provider for specific information about your prescription coverage. Offer includes 100-mg and 300-mg doses. Eligibility criteria and program maximums apply. This offer is NOT available for people enrolled in Medicare, Medicaid, or any other government healthcare program. Visit [vyeptisavings.com](https://vyeptisavings.com) for full Terms and Conditions.

## THINGS TO KEEP IN MIND

**VYEPTI CONNECT will confirm if you're eligible to save. Once you're approved for copay support, both you and your doctor will get a confirmation letter.**

# get help with coordinating infusions

12

VYEPTI CONNECT

## FIND A PLACE TO GET VYEPTI INFUSIONS

We've created an infusion locator so that you and your doctor can find the location that's right for you. Visit [vyepti.com/vyepti-locator](https://vyepti.com/vyepti-locator) to **find places to get your infusions.**

After you're enrolled, a **VYEPTI CONNECT** Liaison will reach out to you.

We can:

- Help you or your doctor find an infusion location
- Go over your coverage information and tell you if your infusion location is covered
- Send your VYEPTI prescription to your infusion location

Remember, you and your doctor will decide if you'll receive your infusions at your doctor's office, an infusion center, or at home.

## EXPECT A FEW PHONE CALLS

Starting a new medication can feel like a lot at first, but we have a team in place to help you through the process. Over the next few weeks, you can expect a few calls. Be sure to answer your phone to make sure you get the right support, faster.

13

Your doctor's office or infusion center may call to schedule your appointment. If you're getting your medicine through a specialty pharmacy, they may call you too. We will let you know if this situation applies to you based on the information we receive from you and your doctor.

## HAVE VYEPTI TREATMENT QUESTIONS?

Our registered nurses can help. Call us at **833-4-VYEPTI** (833-489-3784), Monday–Friday, 8 AM–8 PM (ET) and Saturday, 10 AM–2 PM (ET). **For more information, visit [vyepti.com/nurse-support](https://vyepti.com/nurse-support).**

**VYEPTI GO** is a related program that provides live, one-on-one support over the phone from a registered nurse who can:

- Answer questions about VYEPTI and infusions
- Send you emails with useful information about topics such as the infusion process and treatment with VYEPTI
- Text you with appointment reminders to help you stay on track with your treatment
- Introduce and track treatment goals with you
- Encourage you to keep your doctor updated on your progress

“

With **VYEPTI GO**, it's fantastic to have a real person, like a nurse, get in contact with you and give you helpful tips about what to expect for your infusion.

— Lealani, real VYEPTI patient

Individual results may vary.

### LEARN MORE ABOUT OUR BRAND AMBASSADORS!

Lealani is a brand ambassador sharing her VYEPTI story to help others who live with migraine. **If you're currently on VYEPTI and wish to share your story, visit [vyepti.com/real-patient-stories](https://vyepti.com/real-patient-stories) to learn more.**

## APPROVED USE

VYEPTI is a prescription medicine used for the preventive treatment of migraine in adults.

## IMPORTANT SAFETY INFORMATION

**Do not receive VYEPTI** if you have a known allergy to eptinezumab-jjmr or its ingredients.

**VYEPTI may cause allergic reactions.** Call your healthcare provider or get emergency medical help right away if you have any symptoms of an allergic reaction: rash; swelling of your face, lips, tongue, or throat; if you have trouble breathing; hives; or redness in your face.

**Before starting VYEPTI,** tell your healthcare provider about all your medical conditions, including if you are pregnant or plan to become pregnant, or you are breastfeeding or plan to breastfeed.

**Tell your healthcare provider** about all the medicines you take, including any prescription and over-the-counter medicines, vitamins, or herbal supplements.

**The most common side effects** of VYEPTI include stuffy nose and scratchy throat, and allergic reactions.

These are not all the possible side effects of VYEPTI. Tell your healthcare provider if you have any side effect that bothers you or that does not go away.

**You are encouraged to report negative side effects of prescription drugs to the FDA. Visit [www.fda.gov/medwatch](http://www.fda.gov/medwatch) or call 1-800-FDA-1088.**

**Please see the Full Prescribing Information, and Patient Information.**
