

# BREAK AWAY WITH MIGRAINE TREATMENT SUPPORT

vyepi™  is a personalized patient support program designed to assist you during your VYEPTI™ (eptinezumab-jjmr) treatment journey.

## With VYEPTI GO, you'll have access to:

- ▶ Patient Navigators available by phone 6 days per week to answer questions and direct you to helpful resources, such as the VYEPTI Copay Assistance Program for commercial patients.\*
- ▶ A registered nurse available by phone to help you better understand migraine and provide treatment tips and VYEPTI education.
- ▶ Text and email communications to assist you with appointment scheduling and reminders.

**Please see Important Safety Information on the reverse side.**

\*Terms and conditions apply. Visit [www.vyepti.com](http://www.vyepti.com) to learn more.

Get all the details at [www.vyepti.com](http://www.vyepti.com) or call 1-833-4-VYEPTI (1-833-489-3784), and press option 2 for VYEPTI GO.

 **vyepti™**  
(eptinezumab-jjmr)  
100 mg/mL Injection for IV

VYEPTI is a prescription medicine used for the preventive treatment of migraine in adults.

### **Important Safety Information**

**Do not receive VYEPTI** if you have a known allergy to eptinezumab-jjmr or its ingredients.

**VYEPTI may cause allergic reactions.** Call your healthcare provider or get emergency medical help right away if you have any symptoms of an allergic reaction: rash, swelling of your face, lips, tongue, or throat, if you have trouble breathing, hives or redness in your face.

**Before starting VYEPTI,** tell your healthcare provider about all your medical conditions, including if you are pregnant or plan to become pregnant, or you are breastfeeding or plan to breastfeed.

**Tell your healthcare provider** about all the medicines you take, including any prescription and over-the-counter medicines, vitamins, or herbal supplements.

**The most common side effects** of VYEPTI include stuffy nose and scratchy throat, and allergic reactions.

These are not all the possible side effects of VYEPTI. Tell your healthcare provider if you have any side effect that bothers you or that does not go away.

**You are encouraged to report negative side effects of prescription drugs to the FDA. Visit [www.fda.gov/medwatch](http://www.fda.gov/medwatch) or call 1-800-FDA-1088.**

**For more information, please see the accompanying full Prescribing Information, including Patient Information, or visit [www.vyepti.com](http://www.vyepti.com).**
